

November 6, 1977

Please file as NOAA Directives Manual 05-31

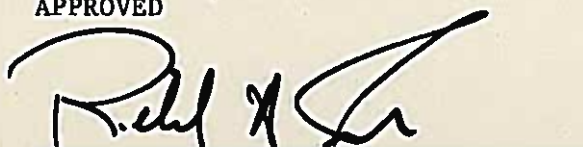

Subject: Redelelegation of Authority, Office of Oceanic and Atmospheric Services

To: Financial Management Centers

Pursuant to paragraph 5 of NOAA Circular 77-84 (dated November 4, 1977 and filed as NDM 05-30) all those NOAA employees who transferred to the Office of Oceanic and Atmospheric Services this date and who on November 5, 1977 held delegations of authority from the Associate Administrator for Environmental Monitoring and Prediction, from the Associate Administrator for Marine Resources, or from the Directors of the National Weather Service, National Ocean Survey, National Environmental Satellite Service or Environmental Data Service or from any subordinate of the above, shall continue to exercise such authority on an interim basis until further notice. The Directors of the National Weather Service, National Ocean Survey, National Environmental Satellite Service and Environmental Data Service shall continue to exercise the authority held by them on November 5, 1977 until further notice.

Richard E. Hallgren
Acting Assistant Administrator for
Oceanic and Atmospheric Services

APPROVED

Richard A. Frank
Administrator
