## **Accessing Grants Online using Internet Explorer 11**

- With the default Grants Online login screen opened, locate and click (or tap) the Internet Explorer icon.
- Prior to executing the next step, go to Internet Options (located on the Tools menu) and make certain the option to *Delete Browsing History on Exit* is not selected. If it is, the user will have to redo the Compatibility View Settings each time s/he closes out his/her browser.
- 3. In the upper right-hand corner of the screen, click (or tap) the 🐯 icon.

–or–

From the Menu bar, click (or tap) **Tools**.

4. Select the **Compatibility View Settings** option.

5. In the box below the **Add this website** header, type <u>https://grantsonline.rdc.noaa.gov</u>. Click (or tap) the **Add** button.

 Reopen the browser and type <u>https://grantsonline.rdc.noaa.gov</u> into the browser's address box. Typically this redirects the user to the following URL: <u>https://grantsonline.rdc.noaa.gov/flows/home/Login/LoginController.jpf</u> If the redirect does not occur, a list of websites is visible. From that list, select either **Grants Online** or **Login** under the

Grants Online – NOAA header.
