

Release Notes for Grants Online Version 6.02

Date Deployed: August 11, 2023

1. Grants Online data associated with an award that has been closed (there was no further activity since the award closed) for at least ten years* is obsolete. Data meeting that criterion will be eliminated from Grants Online and will not be migrated to any successive data system. [JIRA: **NGO-1334**]

Reference the [memo](#) from Arlene Simpson Porter; dated July 17, 2021.

2. PDFs should be generated for the following Grants Online artifacts from the production database:
 - a. PO Checklist screen (for all bureaus except EDA and Census)
 - b. CD-435 – the Award Finance report from the PRCR screen
 - c. The Workflow History associated with an award

[JIRA: **NGO-1360**]

3. The phrase “Deactivate” should precede the email address and/or the alternate email address for users’ whose accounts are inactive. This thwarts any attempt to send an email to an inactive user. [JIRA: **NGO-1363**]
