Subject: Trying to confirm 2 things...

Hi Taylor,

I hope you're doing well.

I'm trying to confirm the reporting in NYT's story on DOC's involvement in initiating the NOAA stmt that went out Friday re: Hurricane Dorian. This could be on background, meaning your name would not be used.

So far, no other media org has confirmed it, and I think it's vital that the truth comes out about this and the existence of a possible IG investigation. Any help you can provide on this would be appreciated. Dr. Jacobs and I have been in contact during the past few months, and he can vouch for my discretion and knowledge/commitment to covering NOAA's key role in the gov't.

My contact info is below.

Thanks and best regards,
-Andrew
