Hello,

I hope this email finds you well. I'm writing to request a statement/response from NOAA to the following Washington Post Reporting that a top NOAA official warned staff against contradicting the president in an agency-wide directive sent on Sept. 1:
https://www.washingtonpost.com/politics/noaa-staff-warned-in-sept-1-directive-against-contradicting-trump/2019/09/07/12a52d1a-d18f-11e9-87fa-8501a456c003_story.html

Please advise if you'd like to provide a statement or response to the network this morning, we have a 10:30amET deadline to make air.

Many thanks,

Carly
