I reached Wakefield, Sterling, Mt. Holly, and Boston - all very appreciative of the call. Boston said they're getting a lot of kudos from their local customers. CWSUs I get voicemail only - not sure how effective it is to leave a message. Could not get through State College or New York's phone prompts to reach a human.

Hi Mary and Louis,

Here are the phone numbers for the WFOs, CWSUs, and RFCs that have dealt with Dorian. Additionally, I have listed the phone numbers for the National Centers. These numbers will likely lead to a phone tree, in which you will have to select the option to speak with a forecaster. If you need any additional numbers, please let me know.
